

3rd International Symposium On Additive Manufacturing

January 29–31, 2019, International Congress Center Dresden

Guidelines for poster presenters

General

Please **set up** your poster on Wednesday, Jan 30, 2019, preferably before 9 a.m.
A poster board with a corresponding number will be available for each poster presentation.
The posters will be displayed throughout the symposium.

A special **poster session** will be held on **Wednesdy, Jan 30, 2019**.
Please stay next to your poster during the poster session in order to answer questions and meet interested participants.

We kindly ask you to **remove** your poster on Thursday, Jan 31, 2019, by 5 p.m. at the latest.
After this, any remaining posters will be disposed.

Layout

The poster should have **size A0** (119 cm x 84 cm), portrait format.
Please make sure that your poster has sufficiently large signs, so that it can be easily read even from a slightly greater distance.

Pins

Pins to mount your poster will be provided by us (available at the conference desk or on your poster wall).
Please do not use glue stick or stripes.
